

How to Setup the MJ-R30 Bluetooth Barcode Scanner

Only use this guide to setup the MJ-R30 Bluetooth Barcode Scanner for the first time. You will need to pair this Bluetooth scanner to your computer, tablet, or smart phone before performing the steps below. If you do not have your scanner paired, please follow the instruction guide that came with your device. This device is used in the order entry of RepTime and RepTime Handheld App where you have to select catalog items. Follow the steps from 1 – 4 and scan each barcode one after the other. Do not skip any.

You must setup the Bar Code Scanner with these instructions for it to work properly with RepTime.

Barcode Scanner Programming Instructions...

Step 1) Start Here with Scan Prefix

START HERE

Step 2) Prefix to Program Pipe '|'
